## KEY POINTS

- Features interviews with a broad range of nomads from around the world, including Nora Dunn, a major Canadian influencer in the travel space who writes at <https://www.theprofessionalhobo.com/>
- Foreword by internationally known New York based photographer and writer B.A. Van Sise <https://bavansise.format.com/>
- Instead of trying to sell a lifestyle, gives readers an accurate picture of the 'what' and the 'how' of being a digital nomad so they can make their own decisions.

## DESCRIPTION

*The dream of being a digital nomad has inspired many to quit their jobs and attempt to live a life that is global and free of the daily 9 to 5 grind. To travel to exotic lands, meet interesting people, and enjoy limitless adventure — all while earning money from a few strokes of the keypad. But many find themselves frustrated in pursuit of this dream.*

*The realities of a digital nomad life are far from simple, and with the pandemic of 2020 and ongoing global uncertainty, the complexities of life on the road have become even more challenging to navigate. Yet with these challenges have come opportunities: remote work is no longer an exception, but a very real option within reach of many of us. With more and more businesses being started and with corporations having a seemingly endless appetite for new talent, the opportunities for workers to establish themselves as digital nomads are abundant.*

*In Untethered you'll learn exactly what it takes to engineer a digital nomad lifestyle in a post-pandemic world. With travel stories and case studies interlaced with clear, real-world guidance, you'll discover whether the digital nomad lifestyle is for you and equip yourself with the tools to create your own location-independent life.*
